

One of Mother Nature's  
most minute Creations  
that come in many  
different colors, and sizes  
and shapes; file single  
handedly, at an orderly pace.

One of Mother Nature's  
most magnificent Creatures,  
that inspite of their  
size, carry many  
times their  
weight and  
size.

One of Mother Nature's  
most intellogent beings,  
know that together  
they can outsmart many  
bigger beings.
